Wikipedia:Language learning centre/Word list replenishment replete replica replicable replicas replicate replicated replicates replicating replication replications replicator replicators replied replier repliers Drawing up a comprehensive list of words in English is important as a reference when learning a language as it will show the equivalent words you need to learn in the other language to achieve fluency. You can use the list to generate your own lists in whatever language you're learning and to test yourself. A big list will constantly show you what words you don't know and what you need to work on and is useful for testing yourself. Eventually these words will all be translated into big lists in many different languages and using the words in phrase contexts as a resource c9eb4476ec
