It is also used in a few exceptional cases for the marking of plurals, e.g., "p's and q's" or Oakland A's. The same mark is used as a single quotation mark. It is also substituted informally for other marks – for example instead of the prime symbol to indicate the units of foot or minutes of arc. df5e736968

Genitive case A genitive can also serve purposes indicating other relationships. g. ,
kuä'cĳĳmi "eagles'
(genitive plural)" and
kuä'cĳĳmid In grammar, the genitive case (abbreviated gen) is the grammatical case that marks a word, usually a noun, as modifying another word, also usually a noun—thus indicating an attributive relationship of one noun to the other noun. For example, some verbs may feature

arguments in the genitive case; and the genitive case may also have adverbial uses (see adverbial genitive). and the plural of nouns in the genitive and accusative are easily distinguishable from each other, e df5e736968

Possessive grammatical constructions, including the possessive case, may be regarded as subsets of the genitive construction. For example, the genitive construction "pack of dogs" is similar, but not identical in meaning to the possessive case "dogs' pack" (and neither of these is entirely interchangeable with "dog pack", which is neither genitive nor possessive... df5e736968 == Personhood == df5e736968 == Acquisitions and mergers == df5e736968 The genitive construction includes the genitive case, but is a broader category. Placing a modifying noun in the genitive case is one way of indicating that it is

related to a head noun, in a genitive construction. However, there are other ways to indicate a genitive construction. For example, many Afroasiatic languages place the head noun (rather than the modifying noun) in the construct state.

Transparency of media ownership is an essential component of any democratic media system. Experts, European organisations and NGOs agree that transparency of media ownership is crucial for media pluralism and democracy as, for instance, it provides the knowledge to take steps to address media concentration and conflict of interests. Moreover, public knowledge of media owners' identities can prevent abuses of media power, such as corruption in the media system, opaque media privatisation, undue influences

over the media, etc., and makes possible that such abuses are recognised, assessed, publicised, debated and prevented.

Transparency also ensures that ordinary citizens can be informed about the identity, interests and influences behind contents and news they consume, and that media... df5e736968
